Hey Fiona,

I am just wondering if it would be ok with you , if just for today I could take a 30 minute lunch and put a note on the door , I have been dealing with the dentist dr somoni on hayes here at 19 mile because he filled the tooth that was causing problems however when he gave me a shot he hit a major nerve and got my jaw bone and the pain has been incredible , so he wants to take a look a quick look at what is going on, they are aware that I need to be out of there in 20 minutes so I will be back ion time, I need this pain to stop asap. Thanks for considering this request, I would truly appreciate it, Thank you !!

Good Morning Fiona,

I just have a quick question , tomorrow my brother needs a ride to Karmanos, so I asked if Denise wouldn't mind working for me tomorrow the four hours(7:30 am - 11:30 am) so I could do that for him (she is scheduled for sch from 12 noon till 5) , if this is ok with you ? I have 11.99 hours in my bank and I would be using four ? please let me know if this is ok so I can let my brother and Denise know. Thanks so much !!! Have a great day !!
